Often filled with businessmen and entrepreneurs, it's a great place to take a potential investor or client to close a deal. It's also where you want to be seen and where you want to

**GEMELLI – Bryanston**

Gemelli, an Italian restaurant, is one of the most popular restaurants in Johannesburg and hasn't even been open for a year yet. Some of the city's most elite spend their evenings dining on the restaurant's traditional Italian food with a modern twist.

The restaurant's signature dish is the Penne Alessandro. Named after the owner, it consists of smoked chicken, prawn tails and prosecco-mustard cream. Gemelli is a great place to be seen in and a great place to be. The networking opportunities are endless as the owner is quite friendly, and the environment not as uptight as one would expect it to be.
